

# Titan Electric

## CICERO MUNICIPAL COMPLEX

Titan Electric completed a new municipal complex for the Town of Cicero. Serving as the new home for Cicero's Town Hall, Police Department and Community Center, it covers one square city block.

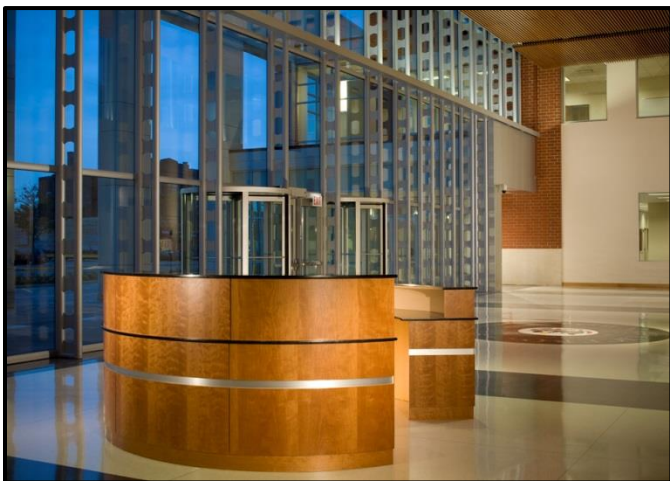

The 126,000 square foot, three-story Town Hall and the two-story, 55,000 square foot Police Department include governmental offices, cells, dressing/changing rooms, meeting rooms and equipment bay and storage units, interior build out for animal welfare and a four-story parking garage for 350 cars.

The 41,000 square foot Community Center includes a full basketball court and two half courts, a stage for performances, classrooms, administrative offices and the town health clinic. An outdoor activity area and play fountain is located to the north of the building.

Titan Electric installed:

- Power distribution and switch gear
- Complete lighting system
- 750 kw generator
- Complete voice/data with fiber and copper backbone
- MDF, IDF and data center
- Digital CCTV surveillance system
- Access control system integrated with CCTV system

Bulley & Andrews was the general contractor for the project with architectural services provided by ZPD+A Architects.
