About Titan Electric

Titan Electric began in Chicago, IL in 2006. Presently, Titan Electric Companies has developed into a network of (5) offices. Current locations include Atlanta (GA), Chicago (IL), Dallas (TX), Orlando (FL) and the Company Headquarters resides in Tampa (FL). We are fortunate to have found, in these other locales, leaders that share our core values, and have led the growth into these various markets with expertise in new construction, tenant build/interiors, mission critical, service, low voltage and design build services. We have extensive relationships with owners, general contractors, brokers, developers and property managers. We strengthen these relationships by providing quality work that exceeds our customer's requirements and expectations.
