

Titan Electric

DOMINICK'S FINER FOODS

Titan Electric was chosen as the electrical subcontractor for a major renovation at the Dominick's Finer Foods Willow Road location in Northfield, IL.

This 71,000 square foot grocery store underwent a total transformation to a much more upscale environment featuring wider aisles, oak fixtures, and lavish décor lighting. Many amenities were added including a bank facility, a gift and card shop, a Starbucks Coffee shop, a wine room, and a restaurant.

Titan's Electrical and Low-Voltage divisions provided:

- New switch gear
- New power distribution
- New energy-efficient lighting and controls
- Updated branch circuits and wiring devices
- New building management system
- New landscape lighting
- New in-floor walker duct cell system
- New voice/data and wireless access devices
- Complete reconfiguration of the existing data room
- Programmed and building-certified fire alarm system

POWERING THE FUTURE
